2013 BUDGET

Extensive discussion was held regarding department requests for 2013, going over the budget for the Water/Sewer/Grounds Department and several line items.

Wally Coates, representing the Barker Fire Department, extensively explained the department's finances and asked that the Board consider keeping the same amount of money (\$225,000.00) in the 2013 budget.

Supervisor Engert stated that all items have been reduced in light of the reduction of the revenue being received most specifically from the PILOT.

It was the consensus of the Board that a few lines be adjusted with the preliminary budget to be ready for the October 9, 2012 meeting.

There being no further business, on the motion of Councilman Jansen, seconded by Councilman Wayner, the meeting adjourned at 8:10 PM subject to the Call of the Clerk.
